

# ONE-SIZE-FITS-ALL ISN'T **HEALTHY FOR BUSINESS**

PLANS TO FIT EVERY EMPLOYEE'S NEED  
AT NO ADDITIONAL COST TO YOU

## Let your employees choose the best fit for them

Your company wouldn't run well if you didn't value the differences among individuals. Your employees are all individual, and they deserve the benefits that come when they can choose the health plan that best suits their and their families' unique needs. **Now, with Kaiser Permanente, your options include the Multiple Plan Offering, a**

**selection of deductible and copayment plans for your employees, with no added expense or effort on your part.\***

## It's a business benefit, too

You need a simple solution that provides choice at the right price and is easy to administer. Solve the problem by choosing the Multiple Plan Offering from Kaiser Permanente.†

- **Easy!** Easier health plan decision-making, so you can get on with business.
- **Satisfied employees!** Relax, because your employees can select the plan that best fulfills their health and lifestyle needs.

- **Simple!** With transparent billing and administration—one application form, one monthly bill.
- **Affordable!** Defined employer contribution to meet your company's budget.
